**** HPR TRAINING WORKSHOP ****
WITH
4 X SKT HUBERTUS WORLD CHAMPION
CHRISTINE DUE

- FRIDAY 29TH JULY 2016 – NOVICE DOGS.
- SATURDAY 30TH JULY 2016 – OPEN/ADVANCED.
- PLACE: North of Pateley Bridge, North Yorkshire.
- OPEN TO ALL HPR BREEDS.
- Price: £100 (HANDLER SPACE) including pub lunch
£40 (OBSERVER SPACE) including pub lunch

Both days will cover: (Morning) obedience, retrieving, water works.
(Afternoon) Hunting & pointing.

You can of course ask any questions during the day but each day will be rounded off with a question/answer session.

There will be use of dummies & various cold game.

Hunting ground will have live game.

Shots, blanks OR live shots may be used/fired on the day.

Both days are strictly limited to 8 handlers with dogs ONLY but observer spaces are available on both days.

For those whom might want to stay locally, there is a fully licensed camping site as well as B&B at the pub (10 mins from training area) which allows dogs in the rooms.

The area is extremely dog friendly and safe for dogs but please note that there may be livestock in some of the fields (not the training area). There is also the possibility of renting a cottage (dogs are also allowed) – bookings are handled by the local pub:

<http://www.crownhotelmiddlesmoor.co.uk/>

*** Please note that NO handler space or observer space is booked before the deposit has been received (£50 for Handler space, £20 for Observer space) ****

Should you want to book a handler space, please email me with name and what day you'd like to attend or even if you'd like a space on both days. You would be asked to pay the deposit to secure your space (payment details will be forwarded to the successful handlers).

I've tried to persuade Christine to do another training weekend/clinic but due to her busy schedule and the World Championships next year, these 2 days will be the only ones in 2016 in the UK.
